Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested.

When such a request is made, the Trust will make a decision on the basis of the circumstances of the case and in the best interest of the child concerned, taking into account the views of the Principal / Headteacher and any supporting evidence provided by the parent.

Oversubscription criteria

When the Academy receives more applications than there are places and the Academy is oversubscribed, after the admission of pupils with an Education, Health and Care plan (EHCP) naming the Academy, priority for admission will be given to those who meet the criteria set out below in priority order:

- 1) ¹Looked after children or a children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including children who were previously in state care outside of England and who ceased to be in state care as a result of being adopted.
- 2) Priority will next be given to the ²children residing in the normal area at the time of admission
- 3) Priority will next be given to children who have a ³sibling who will be on roll at Alvaston Moor Academy at the date of admission.
- 4) Priority will next be given to children with special medical reasons to attend the academy supported by a medical certificate.
- 5) Priority will next be given to children who live the shortest distance from their ⁴home address to the Alvaston Moor Academy.

In the event that the Academy has not met its intended admission number within the first three criteria above, then priority will be given to the applicant whose permanent address is nearest to the Academy.

Tiebreaker

In the event that two or more applicants meet the admissions criteria equally, priority will be given to the child living nearest the Academy, measured by a straight line. The line will be measured from the home address to the Academy using the national Ordnance Survey set points.

Late Applications

The local authority and Alvaston Moor Academy will accept applications received after the deadline date however, these will be dealt with after National offer day alongside any other applications that were made after the closing date of 31st October 2022.

Waiting Lists

The Academy will operate a waiting list for each year group. Where the Academy receives more applications for places than there are places available. This will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

In-Year Admissions:

Fair access protocol

The School Admissions Code requires all local authorities to establish in-year fair access protocols to ensure that access to education is secured quickly for children who have no education place, and to ensure that all schools and academies in an area admit their fair share of vulnerable and challenging children and young people. The code requires that all educational settings and academies must participate in their local authority's protocol in order to ensure that unplaced children are offered a place at a suitable educational setting as quickly as possible. This includes admitting children above the published admission number to schools and academies that are already full. Alvaston Moor Academy and the Trust will participate fully in the Derby City Council's fair access protocol.

Notes:

1. A looked after or previously looked after child is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. An adoption order is an order under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Children residing in the normal area are children residing in a defined geographical area, which the Academy serves. If you want to know which catchment area you live in, contact the Admissions Team on 01332 956988.

3. Sibling includes stepchildren that are living in the same household. Stepchildren are defined as children whose biological parent / legal guardian marries a person who is not the child's biological parent.

4. Home Address The child's place of residence is taken to be the parental home, other than in the case of children fostered by local authority, where either the parental address or the foster parent's address may be used. Where a child spends part of the week in different homes, one of which is not a parental address, their place of residence will be taken to be their parent or parents' address. If a child's parents live at separate addresses, where the child permanently spends at least 3 school nights, i.e. Sunday, Monday, Tuesday, Wednesday or Thursday will be taken to be the place of residence, even when the child stays there for all or part of the week.

Evidence that a child's place of residence is permanent may also be sought. Such evidence should demonstrate that a child lived at the address at the time of the application, and will continue to live thereafter the time of admission. Informal arrangements, even between parents, will not be taken into consideration. Proof of residence from the courts regarding parental responsibilities in these matters may be sought.
